Additional Secretary to Govt.
Skill Development & Technical Education Department

Date: 10-06-2022

To
The Director
Higher Secondary Education
Govt. of Odisha

Sub : Request for dissemination of information regarding World Skill Center's admission outreach program in Colleges and Universities under your administrative control.

Sir,

The World Skill Center (WSC) is a premier advanced skill training institute established by the Government of Odisha, Skill Development and Technical Education Department, through the Odisha Skill Development Authority (OSDA). The WSC will impart advanced skill training in six courses in engineering and two courses in service sectors.

WSC will take admissions for the two services related courses in the Academic session 2022-23 in the month of July 2022. The two courses are mentioned below:

1. Beauty and Wellness
2. Hair Fashion and Design

The minimum eligibility for the two above courses is 12th pass. Currently the application portal is live in WSC website. Since the courses are new, the students are less aware about the future perspective of these courses. In this regard, WSC has decided to visit various Govt. and Private institutions under your good office for promotion of the above courses.

This is to request you for your kind cooperation by issuing a letter in this regard to the Colleges/Universities under your control for better coordination and widespread publicity of WSC out-reach program. This activity will open a new dimension to the students opting general courses to become employable.

Additional Secretary to Govt.

Skill Development & Technical Education Dept.

Memo. No. WSC/74/admission/2022-23/1228 Date: 10-06-2022
